FREQUENTLY ASKED QUESTIONS

How is class placement determined?

Age, ability, attendance, behavior and who works well with each other are all used to determine what class your dancer should be placed in. If your dancer is new to the studio, we will place them by age level and after a few weeks of working with them we may need to change class levels so that they get the best dance education for their abilities.

What is the recital fee?

We do not charge enough to cover the added expenses of putting on a recital. This recital fee helps cover the cost of renting an auditorium, props, janitorial fee, music, backdrops, etc. that are needed to put on our recital.

Why do we need to pay costumes so early?

Costumes are ordered in December so that they arrive in time for our recital. Each costume is made per order. Rarely is a costume in stock.

What happens if my dancer decides they do not want to continue?

The withdrawal form will need to be submitted by the 15th of the month. After the 15th, the next month's tuition is still your responsibility. Registration fee is non refundable. If costumes have been ordered, you are responsible for the remainder of what is owed for costumes.

My dancer will miss due to a family vacation, do we still have to pay the full monthly tuition?

Yes, if your dancer misses due to family vacation or illness you are still responsible for the full month's tuition. Monthly tuition pays our teachers, operating funds and holds your child's spot in the class.

Will my child be in the Winter Showcase?

Classes participating in winter showcase are Discover Dance, K1 Classes, Dance Ambassadors and selected competition dances (determined at a later date).

What is the best way to stay connected with Studio 201?

We send out monthly newsletters through email. Announcements and newsletters can also be found on our website in our blog and on Facebook in our private group (Studio 201 dancers). Email is the best way to connect with us for questions and comments. Our email is dancestudio201@gmail.com.

When my dancer has a birthday will she move to a different class?

No. The age your dancer is on September 1st is the age we go by.
